“Sharpening Your Parliamentary Skills for Tomorrow”

Every so often, we hear inspiring stories from leaders who share how understanding parliamentary procedure transformed their role—whether as a president, committee chair, or active member.

Have you been asked to toss your hat into the ring as an officer, chair a committee, and have no idea where to start? Did you attend an HOA, PTA, or organization meeting and did not understand what was going on? Are you interested in learning how to enhance your leadership skills?

If you answered YES to any of these questions, members of the Virginia Alpha Unit of Registered Parliamentarians and the Northern Virginia Marching and Gavel Society Unit are teaming up to host a workshop designed to sharpen your skills and turn confusion into confidence.
